PREAMBLE

The Board of Education of the Garfield Heights City Schools and the Garfield Heights Teachers Association recognize that the development and operation of educational programs of the highest quality for the benefit of the students and their community is a joint responsibility. The effective discharge of that responsibility requires cooperation between the board, superintendent, administrative staff, and the teaching staff. To achieve mutual goals, relationships between these groups must be established and maintained on the basis of their common interest and the concept of education as a public trust and as a professional calling.

The Board of Education, the superintendent, the administrative staff, and the teaching staff can best attain their common objectives and discharge their respective responsibilities if each utilizes the ability, experiences, and judgment of the other in resolving matters of mutual concern which affect the quality of the educational program.

It is the purpose of this Agreement to establish such relationships between the Board of Education, hereinafter referred to as the Board, and the Garfield Heights Teachers Association, hereinafter referred to as the Association, and to set forth an orderly procedure for the consideration and resolution of matters of mutual concern. The content of the Agreement is to be the understanding heretofore reached between the Association, an affiliate of the National Education Association, the Ohio Education Association, and the North East Ohio Education Association and the Board.

ARTICLE I – RECOGNITION

1.1 RECOGNITION

- 1.11 The Association shall represent all certified teachers of the Garfield Heights City Schools. The Board recognizes that the Association is solely responsible for association activities.
- 1.12 The Association is recognized as the sole and exclusive representative for the bargaining unit as set forth below for all matters with respect to wages, hours, terms and conditions of employment and the continuation, modification or deletion of an existing provision of a collective bargaining agreement.
- 1.13 As used in this Agreement, the term “teacher” and the bargaining unit covered by this Agreement are defined as: all classroom teachers, librarians, guidance counselors, speech and hearing therapists, psychologists, department chairpersons, and any and all others holding certificates/licenses from the Ohio Department of Education and Workforce. The superintendent, assistant superintendent(s), principals, other administrative personnel as defined in Chapter 4117 Ohio Revised Code are excluded from the bargaining unit. The Board recognizes that Association representation will include any newly created position unless employment into the position is governed by Section 3319.02 O.R.C.
- 1.14 The rights of the Association as set forth in this Agreement are continuous unless challenged pursuant to O.R.C. 4117 and the Rules and Regulations of the State Employment Relations Board (SERB).

1.2 RECOGNITION OF BOARD

- 1.21 The Association recognizes the Board as the locally elected body charged with the establishment of policies for public education in the Garfield Heights City Schools and as the employer of teachers of the school system.
- 1.22 Should the Board be presented with an O.R.C. §3302.061 innovation school plan from one (1) of its schools, the Union President will be notified and given a copy of the plan at least sixty (60) days prior to the building staff vote. O.R.C. §3302.064 will only be recognized if it is in effect and enforceable.

ARTICLE II - NEGOTIATIONS PROCEDURES

2.1 NEGOTIATING PROCEDURES

2.11 Directing requests

- 2.111 Either the Board or the Association may initiate negotiations by serving written notice to the Superintendent, on behalf of the Board, or the Association President, on behalf of the Association, not more than one hundred and twenty (120) days nor less than sixty (60) days prior to the expiration of this Agreement unless the Agreement already is on file with SERB. The party initiating negotiations will notify the SERB with a copy of the existing Agreement, copying the other party with such communication.

2.12 Negotiation Meetings

- 2.121 The first negotiations session will be held within fifteen (15) days of the date on which the notice to negotiate was filed by either party and the parties will submit in writing their proposals at this first negotiations session; and thereafter, additional items shall not be submitted by either party unless the other party consents thereto. The timeframe for the first negotiation session will be extended upon mutual agreement of both parties to a mutually chosen date.
- 2.122 Proposals shall in form and detail specify that to which agreement is sought in terms acceptable to the proponent without clarification or supplementation, which if agreed to by the other party, shall express the whole agreement between the parties with respect thereto. Topical listing of items for negotiation shall constitute a clear failure of compliance with this requirement and may be disregarded. Dates mentioned in any of the articles of this Agreement may be extended by mutual consent. Both parties may agree to a collaborative style of negotiation.
- 2.123 Further meetings shall be held at the request of either party involved. Meetings shall be scheduled with the least interruption of school schedules. Meetings shall be in executive session unless otherwise mutually agreed upon by both parties.

2.124 Other rules for conducting negotiations procedures which are deemed necessary and not covered by this Agreement shall be discussed and agreed upon at this first session.

2.13 Negotiation Time Limits

2.131 Items under negotiation must be resolved to the mutual satisfaction of both parties within forty-five (45) calendar days prior to the expiration of this Agreement.

2.14 Definitions

2.141 “Negotiable Items” are all matters with respect to wages, hours, terms and conditions of employment and the continuation, modification or deletion of an existing collective bargaining agreement.

2.142 “Good Faith” involves coming to the negotiating table with the intention of negotiating, not dogmatically pursuing preconceived stands. Good Faith requires that the Board and/or the Administration and the Association be willing to react to each other’s proposals. If a proposal is unacceptable to one (1) party, that party is obligated to give its reasons or offer counter-proposals. Good Faith requires parties to recognize negotiations as a shared process. The obligation of the Board and/or the Administration and the Association to meet for the purposes of professional negotiations does not compel either party to agree to a proposal or require the making of a concession.

2.15 Representation

2.151 The Board or its designated representatives shall meet with the Association or its designated representatives to negotiate in good faith. Each team shall limit its representation to five (5) members unless otherwise agreed upon at the first meeting. The Union may also have an OEA representative on its negotiation team, in addition to the five (5) members of its team. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will be granted or will obtain all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

Upon mutual agreement of the Union and Board negotiation teams, each team may identify one (1) observer for its side, at a time, who may attend negotiation sessions. An observer means a person who observes the negotiation process, but does not participate in negotiation table discussions.

2.16 Assistance

2.161 Either party may call upon consultants at the expense of the requesting party. Such consultants may be used in the negotiating meetings.

2.17 Information

- 2.171 The parties agree to furnish, upon written request and in a reasonable time, available information concerning the financial status of the District and such other available information as will assist the parties in the development and evaluation of proposals. Access to available information in such form as it may exist constitutes compliance with this provision, and neither party is obligated to develop data or information not in existence or to rework, redraft, summarize, compute or otherwise develop data or information in other than its existing form.

2.2 WHILE NEGOTIATIONS ARE IN PROGRESS

2.21 Caucuses

- 2.211 The chairperson of either group may caucus his/her group for independent discussion at any time. Caucuses shall be for a period of time mutually agreed upon at the time caucus is requested.

2.22 Protocol

- 2.221 No action to coerce, censure, or penalize any negotiating participant shall be made or implied by any other member as a result of participation in the negotiation process.

2.23 Item Agreement

- 2.231 As negotiation items receive tentative agreement, they shall be reduced to writing and initialed by a representative of each party. No item so initialed shall be binding until all items are initialed.

2.24 Schedule of Meetings

- 2.241 An initial calendar of five (5) meetings shall be established at the first meeting. Provided the parties have not reached a final tentative agreement, from the fifth meeting forward, each meeting shall include a decision on an agreed time and place for the subsequent meeting.

2.3 AGREEMENT

- 2.31 When final agreement is reached through negotiation, the outcome shall be reduced to writing, signed, and submitted to the Association for ratification. Following ratification by the Association, the agreement shall be submitted to the Board for adoption. Upon official adoption by the Board, the agreement shall be signed by both parties. No provisions of the resulting Agreement shall discriminate against any teacher regardless of membership or non-membership in the Association. The negotiating teams for the Association and Board will present any final tentative agreement in good faith to their respective constituents.

2.4 MEDIATION

2.41 At any time during the bargaining process either side may request, with or without a declaration of impasse, the Federal Mediation and Conciliation Service to provide a mediator to assist the parties in reaching agreement. If the Service cannot furnish a mediator, the parties shall select a mediator; but if the parties cannot agree upon a mediator within five (5) days of refusal of Federal Mediation to mediate, the mediator shall be selected through the American Arbitration Association pursuant to its rules. The mediator shall have no power to impose a settlement on either party, or to in any way bind either party to agreement on any issue. The cost of a mediator, if any, shall be shared equally by the Board and the Association.

2.42 It is agreed that the foregoing procedure shall represent the parties' alternate procedure for negotiations and impasse as authorized under O.R.C. Section 4117.14 and that the parties shall, at the outset of negotiations, and in any case not less than fifty (50) days prior to the expiration of this Agreement, notify SERB of this alternate procedure and their intention that it controls in lieu of the procedure under O.R.C. Section 4117.14 and shall supply SERB with a copy of this Agreement at that time, unless a copy has been supplied pursuant to this Negotiated Agreement

2.5 WORK STOPPAGE

2.51 In the event no agreement has been reached and approved prior to the expiration of the current contract, the Association will be free to engage in a work stoppage, unless the Board and the Association have mutually agreed in writing to an extension. The Association, in the event it determines to engage in work stoppage, shall be obliged to provide the Board with at least ten (10) full days prior written notice of its intention, which notice must state the specific date and hour upon which the work stoppage will commence. In the event of a work stoppage, the Board will have all such rights and remedies as are afforded by the laws of the State of Ohio.

2.6 IN-TERM BARGAINING

2.61 Neither party shall have the duty to bargain on any matter during the term of this Agreement unless such duty is specifically set forth herein or required by law. If during the term of this Agreement, the parties mutually agree to reopen any provision of this Agreement, or if in-term bargaining is required under Ohio Revised Code Section 4117.08 or by reason of a determination resulting from expedited arbitration as provided herein, the parties shall meet and bargain in good faith at a mutually convenient time commencing within ten (10) workdays of a request by either party or within ten (10) days of a determination resulting from expedited arbitration as provided herein.

Mediation with the assistance of Federal Mediation and Conciliation Service or American Arbitration Association of unresolved permissive issues shall be undertaken by the parties at the request of either party, however the Board need not retain the status quo during this process. Bargaining of permissive issues under this provision shall not thereby constitute such issue to be a mandatory subject of bargaining. Should the expedited arbitration process determine that the issue constitutes a mandatory subject of bargaining, or should

the parties stipulate that the issue constitutes a mandatory subject of bargaining, and if agreement is not reached within forty-five (45) days of the commencement of negotiations and including a period of thirty (30) days of assistance by Federal Mediation and Conciliation Service or American Arbitration Association, if the Board determines to change the status quo either during or at the close of that process, then the Garfield Heights Teachers Association has the option to declare the expiration of the entire agreement and to take such steps as are available to the Garfield Heights Teachers Association under Ohio Revised Code Section 4117.14 (D)(2).

Should a dispute arise over whether bargaining is required or mandatory under law, such dispute shall be submitted to final and binding expedited arbitration under applicable rules of the American Arbitration Association. The parties shall expedite such proceeding for hearing at the earliest feasible time. Notwithstanding the foregoing, a party may seek court intervention to prevent delay based upon sufficient proof that the issue is a mandatory subject of bargaining and that neither expedited arbitration nor any other available remedy will be adequate. The losing party shall pay the costs of the arbitrator or court costs.

However, the parties recognize that some more serious offenses may be dealt with on a more serious basis, with appropriate disciplinary action, including the possibility of termination for the first offense, considering the offense and its severity.

Allegations which would lead to discipline shall be brought to the attention of GHTA in a timely manner under the circumstances. The committee is advisory in nature and shall not diminish the authority of the Building Principal.

ARTICLE IV - GRIEVANCE PROCEDURE

4.1 PURPOSE

- 4.11 The Board and the Association agree that in any organization unobstructed communication channels are an important asset. An effective functioning grievance procedure contributes directly to improved communication channels.

4.2 DEFINITION

- 4.21 A "Grievance" is a claim initiated by a teacher or the Association that there has been a violation, a misinterpretation, or misapplication of the Negotiated Agreement, or the teacher's handbook (Superintendent's Manual), or in written Board policies previously or subsequently adopted by the Board pertaining to salaries, hours, or employment conditions or disciplinary action taken under such policies or rules of the Board and shall be processed as a grievance.

- 4.22 "Day" shall mean actual teacher working days.

4.3 RIGHTS OF THE GRIEVANT AND THE ASSOCIATION

- 4.31 A teacher grievant shall be represented at any and all steps of the grievance procedure by the Association or its affiliates or by the Association's counsel.
- 4.32 The Association President shall receive notice of each meeting held to resolve a grievance formally filed. Decisions rendered at each formal level will be made in writing on Grievance Form (contained within this Article) setting forth the decision and the reasons therefore, and will be transmitted promptly to all interested parties and the administrator involved.
- 4.33 The fact that a teacher files a grievance shall not be recorded in his/her personnel file or in any file used in the transfer, assignment, or promotion process; nor shall such fact be used in any recommendation for re-employment or recommendation for other employment; nor shall the grievant, the Association, or its officers, or any member of the Board, or employee of the District be placed in jeopardy or be the subject of reprisal or discrimination for having followed or participated in this grievance procedure.
- 4.34 A grievance that affects more than one (1) teacher may be filed on behalf of all affected teachers.
- 4.35 All grievances shall be filed at the lowest possible level. The lowest possible level means that level of the grievance procedure at which the administrator deciding the grievance has authority to make a decision.
- 4.36 All formal hearings held under this procedure shall be structured so that due process under the circumstances is accorded both sides. Each hearing shall have provision for: Initial presentation of grievant's case, presentation of Administration's case, and final summaries. Both parties may jointly agree to waive the holding of a hearing at Levels I, II, or III.
- 4.37 If the Association Executive Committee and or GHTA Grievance Committee chooses not to pursue a grievance to the next step, the grievance shall be considered resolved based upon the disposition made at the preceding step, even in the event the grievance was filed by an individual who desires to move the grievance to Level II or Level III.

4.4 TIME LIMITS

- 4.41 The number of days indicated at each step is considered a maximum . The time limits specified, however, may be extended by written agreement of the parties in interest. All grievances shall be filed no later than ninety (90) days after the grievant knew or reasonably should have known about the facts giving rise to the grievance.
- 4.42 If a formal grievance (Level II) is not filed within ten (10) days after the decision has been rendered at the informal level, the grievance shall be considered waived.

- 4.43 If the decision on a Level II or Level III grievance is not appealed within ten (10) days after a decision has been rendered, the grievance will be deemed settled on the basis of disposition at that step and further appeal through the grievance procedure shall be barred.
- 4.44 Failure at any level by an administrator to communicate a decision within the specified time limit shall permit the grievant to proceed to the next level of the formal grievance procedure.
- 4.45 In the event a grievance is filed at such time that it cannot be resolved by the close of a calendar school term or the commencement of the Christmas or spring recess, further attempts at resolution shall be postponed until the beginning of the new school term or the return to school following the recess, unless the parties in interest otherwise agree. The parties shall so agree where irreparable injury would result from a postponement until the next term.
- 4.46 The temporary absence of the grievant or of a principal, immediate supervisor, or the superintendent shall toll the running of the days during the absence of such grievant, principal, immediate supervisor, or superintendent.
- 4.47 Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend.

4.5 GRIEVANCE PROCEDURE

4.51 Level I: (Informal)

- 4.511 If a teacher believes there is a basis for a grievance, the teacher must first discuss the matter with his/her principal or immediate supervisor in an effort to resolve the problem informally.

4.52 Level II: (Formal)

- 4.521 If the grievant is not satisfied with the results of Level I or is unable for cause beyond his/her control to discuss the matter with his/her principal or immediate supervisor within the time limit prescribed in this Article, he/she may begin formal procedure by submitting the formal grievance on the Grievance Form (contained within this Article) to his/her principal or immediate supervisor during a meeting at which time the specific issues in the grievance shall be discussed. Within five (5) days of receipt of the form the principal or immediate supervisor shall make a written decision, Grievance Form (contained within this Article). The decision reached at this meeting will be recorded in Level II of the Grievance Report Form and signed by both parties.

4.53 Level III: (Formal)

- 4.531 If the grievant is not satisfied with the results of Level II, he/she may continue the formal procedure by again submitting the formal grievance to the Superintendent or his/her

designee during a meeting at which time the specific issues in the grievance shall be discussed. The grievant (or Association) will provide the alleged contractual violation(s), a statement of the grievance, and the remedy sought. Within five (5) days of receipt of the form, the superintendent or his/her designee shall make a written decision. The decision reached at this meeting will be recorded in Level III of the Grievance Report Form and signed by both parties.

4.54 Level IV: (Formal)

- 4.541 If the Association is not satisfied with the disposition made in Level III, then the Association may request a hearing by an arbitrator. The selection of an arbitrator shall be made from a panel of seven (7) names prepared and submitted by the American Arbitration Association (AAA) in accordance with its procedure. The person so selected shall have the necessary hearing promptly. Decisions of the arbitrator shall be final and binding. Costs for the services of the AAA and of the arbitrator shall be paid by the losing party. In case of split decisions, each party will pay a proportionate share. Each party shall pay the costs of its own witnesses and presentation.

4.55 Optional Level: FMCS Mediation

- 4.551 The Association and District may mutually agree to add a Level after proceeding to Arbitration under Level IV: FMCS Mediation. In this situation, the parties shall mutually notify FMCS and secure an FMCS Mediator to convene a mediation session for the parties to explore whether an amicable resolution of the Grievance is possible. The Association and District agree that a Level IV arbitration will be held in abeyance if the parties agree to FMCS Mediation under this section. If either party no longer desires to mediate the matter or mediation is unsuccessful, the arbitration will be promptly scheduled.
- 4.552 An FMCS mediation session under this section shall be held at a date, time, and location which is mutually agreed upon by the Superintendent and Association President.
- 4.553 The Association and Board may agree to use this optional level prior to initiating any unfair labor practice or lawsuit in state or federal court against the other respective party.

ARTICLE VIII - TEACHER EVALUATION

I. OTES Teacher Evaluation

OTES applies to a teacher who is a licensed instructor who spends at least fifty percent (50%) of his/her time providing content-related student instruction and falls under Board policy AFC-1 the Evaluation of Professional Staff (Ohio Teacher Evaluation System) (Also GCN-1).

A. Definitions

- i. Ohio Teacher Evaluation System (OTES): The teacher evaluation system codified under sections 3319.111 and 3319.112 of the Ohio Revised Code as established by the Ohio Department of Education and Workforce (“ODEW”).
- ii. Evaluation Framework: The standards-based state framework for evaluation of teachers developed by ODEW in accordance with Ohio Revised Code §3319.112, for evaluation of teachers under Ohio Revised Code §3319.111 and §3319.112.
- iii. Evaluation Procedure: The procedure used to conduct teacher evaluations, which includes informal observations (“classroom walkthroughs”) and formal observations to assess teacher performance in addition to multiple evaluation factors as set forth by state law and OTES 2.0 Framework.
- iv. Evaluation Instrument: The forms used by a Credentialed Evaluator are those adopted by the Ohio Department of Education and Workforce for OTES.
- v. Teacher Performance Rating: The evaluation rating is assigned at the conclusion of the evaluation cycle by combining the results of multiple evaluation factors. Evaluation ratings are: Accomplished, Skilled, Developing and Ineffective.
- vi. Evidence: Information provided to the Credentialed Evaluator, including but not limited to high-quality student data, newsletters, classroom rules, lesson plans, portfolios, summative assessments, and student work samples.
- vii. Value-Added: Refers to the value-added methodology prescribed by the Ohio Department of Education and Workforce, which provides a measure of student progress at the District, school, grade, subject and teacher level based on aggregate student scores from state issued standardized assessments.
- viii. ODEW-Approved Assessments (aka Approved-Vendor Assessment): Student assessments approved by the Ohio Department of Education and Workforce for measuring student growth.
- ix. Professional Growth Plan: A written Professional Growth Plan helps teachers focus on areas of professional development that will enable them to improve their practice. The Professional Growth Plan is developed annually for teachers who receive an evaluation

rating of Accomplished, Skilled, or Developing, and will be based upon the results of the evaluation and aligned with any existing school district or building improvement plan.

- x. Performance Deficiency: A performance deficiency includes either an overall Ineffective rating or an Ineffective rating on any of the components of the OTES Rubric.
- xi. Poorly Performing Teacher: Refers to a teacher identified through the Evaluation Procedure with an Evaluation Rating of Ineffective.
- xii. Improvement Plan: A written Improvement Plan will be developed by the assigned credential evaluator for teachers who receive an evaluation rating of Ineffective. The purpose of an Improvement Plan is to identify specific performance deficiencies and foster growth through professional development and targeted support. The administration has discretion to place a teacher on an Improvement Plan at any time based on any individual deficiency exhibited in the evaluation system by the teacher.
- xiii. Credentialed Evaluator: As set forth under Board Policy, a person who holds an evaluators credential established by ODEW for being an evaluator. Bargaining unit members shall not serve as Credentialed Evaluators.

B. Teacher Performance Evaluation Component

i. General Principles

- a) Teacher performance shall be assessed based on standards for the teaching profession and criteria set forth in the ODEW OTES evaluation instrument.
- b) The Credentialed Evaluator shall rely on evidence provided by the teacher, the Formal Observations and the Walkthroughs/Informal Observations to evaluate a teacher's performance.
- c) Goals are developed using multiple sources of data, including self-assessment based on the standards, high-quality student learning data, and identified focus area(s). While teachers will not be required to complete the Self-Assessment Form, teachers shall engage in the process of reflection and self-assessment as a form of reflective practice to identify areas of strength and areas for further development.

ii. Evidence Used to Assess Teacher Performance

a) *Evidence Provided by Teacher to Credentialed Evaluator*

A teacher may provide evidence to the Credentialed Evaluator, including but not limited to high-quality student data, which may include student information affecting educational progress, student interest or learning style surveys, newsletters, classroom rules, lesson plans, portfolios, summative assessments, and student work samples.

Any artifacts and evidence presented by a teacher to the Credentialed Evaluator at the post observation conference shall be maintained by the teacher.

b) *Formal Observations*

- i. A minimum of two (2) formal observations shall be conducted. The second observation only may be conducted after the post-observation conference from the first observation has been completed.
- ii. Each formal observation shall last a minimum of continuous thirty (30) minutes.
- iii. The first formal observation shall be completed by the end of first semester, unless extenuating circumstances exist.
- iv. At least 24-hours prior to an observation, the Credentialed Evaluator will notify the teacher of the 48-hour window in which the observation will be conducted.
- v. For teachers on an Improvement Plan, there shall be at least twenty-eight (28) calendar days between each formal observation.
- vi. If after the second observation, there is a Performance Deficiency in a teacher's performance and the District anticipates taking adverse personnel action, a minimum of one (1) additional observation will be conducted.
- vii. A post-observation conference between the Credentialed Evaluator and teacher shall be held within the five (5) workdays following each formal observation, unless extenuating circumstances exist, to collaboratively complete the content of the OTES Teaching Rubric. At least twenty-four (24) hours before the post-observation conference, the Credentialed Evaluator shall complete a draft OTES Rubric on OhioES, and "pin-it" for the teacher to have an opportunity to review it before the post-observation conference. Nothing requires the Credentialed Evaluator to complete all portions of the OTES Rubric.

c) *Walkthrough Informal Observation*

- i. A walkthrough/informal observation ("walkthrough") is a formative written assessment by a Credentialed Evaluator.
- ii. The walkthrough may be unannounced, but nothing prohibits informing the teacher of a walkthrough.

- iii. A walkthrough shall be at least twelve (12) consecutive minutes and no more than fifteen (15) minutes in duration. There shall be no more than two (2) walkthroughs per Evaluation Cycle, unless the teacher is on an Improvement Plan.
- iv. Within two (2) workdays of completing the walkthrough, the Credentialed Evaluator shall complete the ODEW OTES walkthrough form.
- v. Nothing in this section limits the District's ability to conduct the shorter duration McREL walkthroughs for the Ohio Improvement Process (typically 3-5 minutes). Any McREL walkthrough for the Ohio Improvement Process will not constitute a walkthrough for purposes of OTES.

iii. Remediation of Teacher Performance Deficiencies

The Credentialed Evaluator shall develop an Improvement Plan using the ODEW form to address any teacher performance deficiency identified in an observation if the District anticipates taking adverse personnel action. The administration has discretion to place a teacher on an Improvement Plan at any time based on any individual deficiency exhibited in the evaluation system by the teacher. The Credentialed Evaluator shall meet with the teacher to review the Improvement Plan and receive input from the teacher before the Improvement Plan is finalized and implemented.

C. Finalization of Evaluation

A final holistic rating of teacher effectiveness form (ODE Form) will be completed, signed by the evaluator and provided to the teacher in a meeting to be held no later than the tenth day of May. The teacher should sign the final holistic rating of teacher effectiveness form to verify notification to him/her that the evaluation will be placed on file, but the teacher's signature should not be construed as evidence that the teacher agrees with its contents. The teacher shall sign the final holistic rating of teacher performance upon meeting with the evaluator. The evaluator shall send a copy of the holistic rating form to the Superintendent upon securing the teacher's signature.

Within ten (10) calendar days of receiving the holistic rating form, a teacher has the right to make a written response to the evaluation and to have it attached to the holistic form that is placed in the teacher's personnel file.

Each teacher shall have the opportunity to review the final holistic rating in order to ensure accuracy in reporting to ODE. If the teacher believes there is an inaccuracy, s/he shall notify the Superintendent or his/her designee on a date designated by the Superintendent each school year.

D. Professional Growth & Improvement Plans

i. *Professional Growth Plan*

Each teacher with an evaluation rating of Accomplished, Skilled, or Developing will develop a Professional Growth Plan on an annual basis no later than the first Monday in October. Professional Growth Plans will be self-directed for teachers with a Final Holistic Rating of Accomplished. Teachers with a Final Holistic Rating of Skilled will jointly develop their Professional Growth Plans with their credentialed evaluators. Teachers with a Final Holistic Rating of Developing will develop a Professional Growth Plan that is guided by their assigned credentialed evaluator. The Professional Growth Plan shall include:

- a) Identification of area(s) for future professional growth
- b) Specific resources and opportunities to assist the teacher in enhancing skills, knowledge and practice
- c) Outcomes that will enable the teacher to increase student learning and achievement

ii. *Improvement Plan*

- a) Teachers with a Final Holistic Rating of Ineffective will be placed on an Improvement Plan developed by the assigned Credentialed Evaluator.
- b) If the District anticipates taking adverse employment action based solely on a Teacher's Performance, the teacher shall first be placed on an improvement plan so s/he has an opportunity to remedy the performance deficiencies. The Improvement Plan may be created after the first or second observation in this circumstance.
- c) An Improvement Plan shall include:
 - 1. Identification of the specific areas for improvement of performance and/or student growth
 - 2. Identification of the specific expectations for each area of improvement that has been identified
 - 3. Specify the developmental level of performance the teacher is expected to improve and the timeline to correct deficiencies
 - 4. Sufficient time to allow remediation of the deficiencies

5. Identification of guidance and support needed to help the teacher improve (Note: this may but need not necessarily include the TBT and/or BLT)
 6. The Credentialed Evaluator shall identify a support teacher for the teacher on an Improvement Plan (if a teacher has a resident educator mentor, the mentor also may serve as the support teacher to the mentee)
 7. Identification of additional education or professional development needed to improve identified areas
 8. Identification of release time to allow the supported bargaining unit member on an Improvement Plan to observe his/her support teacher's best practices and/or release time of the support teacher to provide direct mentoring activities, which shall be coordinated by the building administrator
- d) An Improvement Plan based on Ineffective teacher rating will be revisited in at least twenty-eight (28) calendar day intervals to see whether the teacher's performance has improved and whether to modify or end the plan. The ODEW OTES Improvement Plan form shall be used.
- e) Protections
1. A support teacher shall not be requested or directed to make any recommendation regarding the continued employment of a teacher.
 2. All interaction, written or oral, between a support teacher and the supported bargaining unit member are confidential and may not be disclosed without the consent of the supported bargaining unit member. Any violation of this confidentiality requirement by the support teacher shall be cause for his/her removal in his/her role as a support teacher by direction of the Union President after consultation with the Superintendent. Removal from the role as support teacher shall not be grievable by the support teacher.
 3. No support teacher shall be requested or directed to divulge information from written documentation or confidential discussions with the supported bargaining unit member.
 4. At any time and without need of specifics, the support teacher or the supported bargaining unit member may exercise the option to have a new support teacher assigned to the supported bargaining unit member. Exercising the option may occur one (1) time by the support teacher or the supported bargaining unit member and shall occur without prejudice or judgment to either person.

2. Non-OTES Teacher Evaluation

All teachers who do not fall under the OTES Evaluation System contained in Article VIII, Section I, shall be evaluated as follows:

- a. The fundamental goal of the non-OTES evaluation system is to improve performance and give every staff member an opportunity to be successful and to contribute to the overall objectives of the district.

All aspects of our personnel system are to be administered without regard to race, color, national origin, ancestry, citizenship status, religion, sex, economic status, age, disability, military status or sexual orientation.

9.2 TEACHER INTENT FORMS

- 9.21 Teacher Intent Forms will be distributed to all teachers on or about February 1 of each year.

The form will ask the teacher's intent for the following school year. Answers may be: request conference to discuss status, re-appointment to the same position, retirement, resignation, or request for transfer to a different class, position or building. The form will be returned to the building principal on or before February 15.

9.3 INVOLUNTARY TRANSFER

- 9.31 From time to time, transfer of teachers to a different building will be necessary in order to:
 - a. adjust to enrollment changes in individual schools,
 - b. balance staffing in terms of experience and training,
 - c. provide teachers with professional growth opportunities,
 - d. maximize the special preparation of teachers most effectively.

- 9.32 When such transfer is necessary, a personal conference will be initiated with the teacher by the appropriate administrator to explain the reason(s) for the transfer.

- 9.41 Prior to the conclusion of the school year, teachers will be informed by or through their building principal of their tentative grade/or subject assignment for the next school year.
- 9.42 No later than two (2) weeks prior to the opening of school, written notification will be given to each teacher of his/her assignment for the new school year if there is a change in the tentative assignment. Any changes in assignment following such notification will be worked out cooperatively with the teacher.

ARTICLE X - REDUCTION IN FORCE

10.1 STAFF REDUCTION

- 10.11 The following procedures will govern the reduction of teachers made necessary through decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, suspension of schools or territorial changes affecting the district, changes in curriculum, and shortage of funds. Such procedures may be subject to revision in order to insure compliance with State and Federal laws relating to employment decisions. The procedures contained herein for such reduction in teachers shall not pertain to any teacher non-renewed for performance reasons. The number of teachers affected by a reduction-in-force will be kept to a minimum by not employing replacements insofar as practical for teachers who retire or resign or whose limited contracts are not renewed.
- 10.12 The Board and Union are committed to enhancing the educational mission of providing meaningful student learning opportunities. The Board shall not intentionally create an educational program for the sole purpose of displacing employees. If the Board determines to explore the possibility of alternate programming which would result in the reduction of current staff levels and personnel it shall consult with the association at least forty-five (45) days prior to implementation, unless state law requires earlier implementation.

10.2 REDUCTION OTHER THAN BY ATTRITION

- 10.21 To the extent that reductions are not achieved through attrition or the non-renewal of limited contracts due to performance, reductions will be achieved by the suspensions of teaching contracts. Suspensions shall mean that a teacher shall be placed in an inactive

state of employment from an active state of employment. In suspending contracts of teachers within each teaching field affected by the reduction in force. Teachers holding limited contracts in the area of certification/licensure shall be suspended first, followed by teachers holding continuing contracts. No preference for seniority shall be given except when making a decision between teachers who have comparable evaluations.

10.211 Seniority. For the purpose of the suspension of contracts under this section, seniority shall be determined as follows: All teachers in the Garfield Heights City Schools shall be placed on the seniority list in each of their teaching fields. Teaching field in the secondary schools shall be that field in which the teacher is certified and has had teaching experience in the Garfield Heights Schools unless the teacher has had five (5) years or more experience in the Garfield Heights Schools, in which event, teaching field shall include those fields in which the teacher is certified. Seniority shall be determined by the length of continuous service in the Garfield Heights City Schools. Among those with the same length of continuous service, seniority shall be determined by:

- a. The date of the Board meeting at which the teacher was hired; and then by
- b. The date on which the teacher submitted a completed job application; and then by
- c. Total teaching experience.

Length of continuous service will not be interrupted or affected by authorized leaves of absence. The continuous service of a teacher who has returned to employment following resignation or other termination of employment will be measured from the date of return. The teachers with continuing contract status shall have seniority greater than limited contract teachers. Teachers with continuing contract status shall have their seniority determined in accordance with the procedures stated above.

10.212 Availability of Lists. At least thirty (30) calendar days before the Board action on the reduction in teachers, the Association President shall receive in writing:

- a. The list of the positions in each teaching field which are affected by the reduction in teachers;
- b. The seniority lists for all teachers based upon their area(s) of certification and teaching experience in the Garfield Heights Schools;
- c. The list of teachers whose contracts are to be suspended in each teaching field affected. This list shall constitute the Reduction in Force List; and
- d. A list of teachers who are certified in an area or areas in which they have not had teaching experience in the Garfield Heights Schools.

10.213 Notification of Teachers. Any teacher whose contract is to be suspended as the result of the reduction in teachers shall be notified in writing of his/her intended suspension and

the reasons for said suspension of at least thirty (30) calendar days prior to the date of the Board action on the suspension. No teacher shall have his/her continuing or limited contract suspended during the term of the normal school year when such reductions are the result of decreased enrollment. Contracts may be suspended between July 1 and August 15 of any year in only the most unusual circumstances. Unusual circumstances shall be defined as an action the State of Ohio or the Federal Government that could not have been reasonably anticipated by the Board prior to July 1 and which warrants a Reduction in Force.

10.3 RECALL

- 10.31 A teacher whose name appears on the Reduction in Force list shall be returned to active employment when a vacancy becomes available for which he/she is or becomes certified so long as the teacher has a license in effect on the date the Board offers reemployment. If a teacher does not have a license in effect on the date the Board offers reemployment, s/he may remain on the recall list, but is not entitled to the position that had been offered if s/he later obtains a license effective on or before the date the position had been offered. Seniority shall not be the basis for recalling the teacher, except when making a decision between teachers who have comparable evaluations.
- 10.32 Teachers on the Reduction in Force list shall be returned to active employment to fill vacancies for which they are certified in the order of seniority at the time of their suspension.
- 10.33 No new teachers shall be employed by the Board while there are teachers on the Reduction in Force list who are certified for any vacancy in a teaching position.
- 10.34 In the event that a vacancy(s) becomes available, the Board shall recall the teacher to active employment status by giving written notice to the teacher. Said written notice shall be sent to the teacher by registered or certified letter addressed to the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change in address.
- 10.35 If a teacher fails to accept active employment status within fifteen (15) calendar days from the date said notification was delivered, said teacher shall be considered to have declined said offer and shall be removed from the Reduction in Force list.
- 10.36 A teacher on the Reduction in Force list shall, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave and salary schedule placement as said teacher would have enjoyed had said teacher not been suspended.
- 10.37 Teachers shall remain on the Reduction in Force list for a period of twenty-four (24) months from the last day of active employment by the District unless the teacher has accepted, prior to such time, employment in another school district.

10.4 COMPARABLE EVALUATION

- 10.41 This section defines comparable evaluation for purposes of reduction in force and recall purposes. For the purposes of Reduction in Force, there shall be three (3) categories of comparable evaluation (Accomplished/Skilled; Developing; Ineffective) in which employees shall be placed based upon the highest evaluation rating they receive in the three (3) most recent years. Any teacher receiving a rating of Accomplished or Skilled during this time period shall be rated as Accomplished/Skilled. No preference for seniority shall be given except when making a decision between teachers who have comparable evaluations.

In suspending contracts of teachers within each teaching field affected by the area of reduction in force, teacher holding limited contracts in the area of certification/licensure shall be suspended first, beginning with Ineffective, then Developing, then Accomplished/Skilled.

The contracts of teachers employed pursuant to a continuing contract shall not be suspended except for reasons consistent with ORC 3319.17. Continuing contract teachers shall be suspended only after all limited contracts in the area of certification/licensure. In suspending contracts of teachers within each teaching field affected by the area of reduction in force, teachers holding continuing contracts in the area of certification/licensure shall be suspended first, beginning with Ineffective, then Developing, then Accomplished/Skilled.

ARTICLE XI – LEAVES

11.1 ASSAULT LEAVE

- 11.11 It is recognized by the Board that in the course of performing assigned duties, physical assault upon a teacher may occur. A teacher who has been physically assaulted in connection with the performance of a professional assignment shall notify his/her administrator immediately. Within twenty-four (24) hours of the incident, the teacher, when physically able, will provide the administrator with a written report of the incident.
- 11.12 The administrator shall obtain a list of witnesses to said assault. A written statement of the observations of each witness is to be made and signed by the witness. Copies of the teacher's report and the written statement and observations of each witness shall be forwarded to the superintendent. Copies of the witness' statement shall also be given to the teacher(s) involved with the witnesses' approval.
- 11.13 If court action results, said teacher and any witnesses shall be granted leave of their professional duties and a qualified substitute provided with no loss of pay for days in court as may be requested by their legal counsel, court officials, and law enforcement officers.
- 11.14 The Board shall authorize its legal counsel to assist the teacher in matters of legal rights and supportive assistance if court action results. The Board's counsel will cooperate fully with the teacher and the teacher's counsel, but the Board's counsel shall not represent the teacher.

11.15 A teacher temporarily disabled as a result of physical assault shall be returned to the same position held at the time of the incident.

11.16 If an assault on a teacher results in the teacher's being unable to teach for a period of time, as documented by a medical certificate, said teacher shall be provided with leave until able to resume professional duties. Said leave shall not, for a maximum of thirty (30) school days, result in loss of pay or benefits; also, any teacher so affected shall not lose accumulated sick leave. After thirty (30) school days the teacher may elect to choose workers compensation benefits, use accumulated sick leave, or apply for disability retirement.

11.2 EXTENDED FAMILY ILLNESS LEAVE

11.21 A leave of absence without pay for up to one (1) year will be granted to a teacher for the purpose of caring for a sick member of the teacher's immediate family. Additional leave without pay may be granted at the discretion of the Board.

11.3 PERSONAL LEAVE

11.31 A bargaining unit member shall be entitled to three (3) days of unrestricted personal leave, with pay, each school year. The personal shall not be deducted from sick leave. A one-time per career use of 3 consecutive personal leave days in a row shall be granted. Any unused personal days will be rolled into sick leave at the end of the school year.

11.32 Except where circumstances make it impossible, the teacher will give to his/her principal, in writing, forty-eight (48) hours advanced notice of his/her request to use personal leave. In emergency situations, the principal shall be contacted and the teacher shall sign a personal leave form (Appendix B) and provide it to his/her principal on the morning of the teacher's return to work.

11.33 Personal leave will generally not be approved on any of the following days, except under very unusual circumstances:

- a. The first (1st) and last two (2) weeks of school with students in session.
- b. The school day preceding or following a holiday, winter, spring, or Thanksgiving breaks.
- c. Professional Development Day and parent-teacher conference days.

Personal leave requests, that fall within the above guidelines, shall be submitted to the building principal, who shall convey the request to the District Human Resource Office.

11.4 PREGNANCY, MATERNITY, ADOPTION, PATERNITY, OR LONG TERM MATERNITY LEAVE

- 11.41 Leave without pay for the current semester and up to two (2) additional consecutive semesters shall be granted, upon written request by a teacher, for pregnancy, maternity, adoption, paternity and medical leave, and shall be arranged through the superintendent or his/her designee at least sixty (60) days before the beginning date of the leave except when mitigating conditions merit deviation. The teacher will receive written notification of leave specifications.
- 11.42 If her condition requires, a pregnant teacher may use accumulated paid sick leave for (a) disabilities resulting from her pregnancy and/or (b) her period of confinement up to eight (8) weeks from the date of the birth of the child. For medical leave beyond eight (8) weeks, the Superintendent or his/her designee will require the teacher to supply a written statement from her doctor, substantiating that a disability exists and the expected duration of such disability.
- 11.43 If a pregnant teacher prefers not to use accumulated paid sick leave or exhausts her accumulated sick leave, she must at that time apply for a medical leave of absence without pay. The leave shall be granted for disabilities resulting from her pregnancy and for her period of confinement. In either case, the Board will pay the premium for hospitalization and life insurance for the balance of the school year or for a period of three (3) months, whichever is shorter. When benefits are not paid by the Board, the teacher may continue to be covered by said benefits by paying the COBRA rate in advance, to the Board.
- 11.44 Requests for reinstatement from a medical leave of absence for pregnancy, maternity, adoption, paternity or medical leave, shall be directed to the superintendent or his/her designee no later than April 1 of the calendar year in which the teacher is requesting to return. 11.63 Requirements and status while on sabbatical leave are defined as follows:

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MOU") is made and entered into this 22nd day of April, 2017, by and between the Garfield Heights City Schools Board of Education ("Board" or "School District") and the Garfield Heights Teachers Association ("Union").

WHEREAS, on or about December 27, 2016, the Board entered into a contract with Cleveland Clinic Wellness Enterprise, LLC, to provide its Lifestyle Employee Assistance Program Services ("EAP Services Program") on a pilot-basis to a specified group of Board employees;

WHEREAS, the School District met with the Union and agreed during negotiations over a successor labor contract, that the School District allow the Union's bargaining unit members who are employees of the School District, the opportunity to participate in the pilot EAP Services Program, as provided for in the December, 2016, services agreement between the Cleveland Clinic Wellness Enterprise, LLC and the Board; and,

WHEREAS, the Union and Board desire to provide Union bargaining unit members who are employees of the School District the opportunity to participate in the pilot EAP Services Program, as provided for in the December, 2016, services agreement between the Cleveland Clinic Wellness Enterprise, LLC and the Board.

NOW THEREFORE, the Union and the Board agree as follows:

1. Upon execution of this Agreement, the School District will take immediate steps to notify Cleveland Clinic Wellness Enterprise, LLC, that the Union's bargaining unit members who are employees of the School District shall be included as "Covered Employees" for purposes of implementation of the EAP Services Program as set forth in the December, 2016, services agreement between the Cleveland Clinic Wellness Enterprise, LLC and the Board.
2. The Board and Union representatives agree to coordinate efforts to work with Cleveland Clinic Wellness Enterprise, LLC so that an EAP Services Program orientation session(s), literature and/or materials are available to the Union's bargaining unit members.
3. The Union agrees not to grieve the School District's decision to make a management referral of an individual, who is a member of the Union's bargaining unit, to the EAP Services Program. It is understood this paragraph applies to circumstances where the individual is referred to the EAP Services Program on a voluntary basis or where the Union and Board mutually agree upon the management referral as part of a disciplinary plan of assistance.

4. The Board and Union agree that this MOU is made on a non-precedent setting basis and shall be attached as an appendix to the labor contract.
